

SUPPORT STAFF LEAVES

Consistent staffing is important to the learning environment and district operation and therefore is an essential duty of all employees. However, the Board recognizes that there are circumstances that require an employee to miss work, and the purpose of this policy is to identify situations where paid and unpaid leave from work are appropriate.

The district may require an employee to provide the district verification of illness from a healthcare provider or supply other documentation verifying the absence before the district applies sick leave or other applicable paid leave to the absence. In accordance with law, the district may require an employee to present a certification of fitness to return to work whenever the employee is absent from work due to the employee's health.

The following leaves with pay will be provided to full-time support staff employees. Regular parttime support staff employees will receive these leaves on a pro rata basis. This policy does not apply to temporary or substitute staff members unless otherwise noted.

1. **Sick Leave** - Any support staff employee whose assignments call for 12 months of full-time employment will receive 11 days of sick leave. Support staff employees whose assignments call for full-time employment only during the regular school term will receive 8 days of sick leave. During the first year of employment, the full-time employee's eligible number of sick leave days will be prorated on a quarterly basis. Upon completion of one (1) year of employment, sick leave will be awarded on July 1st of each year. Unused sick leave will be cumulative to 100 sick leave days. At the end of each fiscal year, employees that have accrued more than 100 days will be paid for each unused sick leave day at a rate of \$40 per day. Employees retiring from the school district with at least two (2) years of service or resigning with at least two (2) years of service shall be compensated for all unused sick/personal leave at the rate of \$40 per day. This rate is calculated based on a seven-hour workday. Employees who work less than a seven-hour workday will be paid on a pro-rated bases. This provision will not apply to employees who are terminated for cause. An absence of over one through four hours shall be counted as a half-day of sick leave.

Absences may be charged against sick leave for the following reasons:

- a. Illness, injury or incapacity of the employee. The Board reserves the right to require a healthcare provider's certification attesting to the illness or incapacity of the

claimant and/or inclusive dates of the employee's incapacitation. FMLA health certification procedures apply to FMLA-qualifying absences, even if such absences are paid sick leave.

- b. Illness, injury or incapacity of a member of the immediate family. The Board defines "immediate family" to include:

The employee's spouse.

The following relatives of the employee or the employee's spouse: parents, children, children's spouses, grandparents, grandchildren, siblings and any other family member residing with the employee.

Any other person over whom the employee has legal guardianship or for whom the employee has power of attorney and is the primary caregiver.

(Note: "Family" for FMLA purposes is more limited.)

- c. Illness, injury or incapacity of other relatives, with permission granted by the superintendent.
- d. Pregnancy, childbirth and adoption leave in accordance with this policy.

Staff members who are ill are encouraged to stay home to promote healing and reduce the risk of infecting others, especially during a pandemic or other significant health event. In the event of a pandemic or other significant health event, schools may be closed to all staff and students or just students. If schools are closed only to students, staff members are expected to work regular schedules or use appropriate leave.

A district employee may not use sick leave during the period the employee receives Workers' Compensation for time lost to work-related incidents.

Any support staff employee who is a member of a retirement system shall remain a member during any period of leave under sick leave provisions of the district or under Workers' Compensation. The employee shall also receive creditable service credit for such leave time if the employee makes contributions to the system equal to the amount of contributions that he or she would have made had he or she been on active service status.

2. **Personal Leave** - A maximum of 3 days of personal leave will be available per school year.

Each year, unused personal leave days will be added to unused accumulated sick days. After each ten years of full time service in the district, a full-time employee will receive one additional personal day. No more than two personal days will be taken concurrently during the contract year. If a separation in employment occurs and the full-time employee returns to work for the Boonville R-I School District, then prior years of service will be credited when calculating personal and vacation leave.

Absences may be charged against personal leave for the following reasons:

- a. Tax investigation.
- b. Court appearances, unless applicable law or policy provides for paid leave.
- c. Wedding, graduation or funeral.
- d. Observance of a religious holiday.
- e. Conducting personal business of such a nature that it cannot be performed on Saturday, Sunday or before or after school hours, including parent-teacher conferences.
- f. Absences under leaves authorized by law, policy or the Board that would otherwise be unpaid including, but not limited to, leave under the FMLA.
- g. Leave connected with duty as a volunteer firefighter, member of Missouri-1 Disaster Medical Assistance Team, Missouri Task Force One.
- h. Leave for other purposes as approved by the principal.

Whenever possible, it is expected that requests for leave will be made in writing to the designated administrator at least 48 hours in advance of the time leave is requested. However, 30 days' notice is required by law if the leave qualifies as FMLA leave and such notice is practical. The administrator will respond promptly to the employee's written request.

A district employee may not use personal leave days during the period the employee receives Workers' Compensation for time lost to work-related incidents.

3. **Vacation** - All full-time support staff employed on a 12-month basis will receive two (2) weeks of paid vacation per year. Support staff employees who have completed ten (10) or more years of service with the Boonville R-I School district shall be eligible for three (3) weeks of paid vacation. For each additional ten (10) years of employment, employees are entitled to one (1) additional week of vacation. An employee may not carry over to a new fiscal year more than 15 days. Employees will not be compensated for unused vacation.

An employee must submit a written request for vacation to his or her supervisor and receive written authorization before taking vacation days. If the employee's absence may disrupt district operations, the supervisor has the discretion to deny a request for vacation or to limit the time of year the employee may take his or her vacation.

A district employee may not use vacation days during the period the employee receives Workers' Compensation for time lost to work-related incidents.

4. **Bereavement Leave** – One (1) day of special leave per year may be used as bereavement leave and shall not count against an employee's sick leave or personal leave. This special leave day is non-cumulative. District employees may use personal leave for bereavement purposes. Sick leave may also be used upon the death of an immediate family member.

Unless otherwise provided, the following leaves will be provided to full-time and part-time support staff employees.

1. **Holidays** - The district will grant paid and unpaid holidays in accordance with the academic calendar adopted by the Board. Holidays may be modified or eliminated as needed when the academic calendar is changed due to inclement weather or for other reasons. Holidays may change from year to year.
2. **Professional Leave** - Employees may be granted professional leave to attend classes or conferences, meet with mentors or participate in other approved professional growth activities. Professional leave must be approved by the immediate supervisor, arranged well in advance and is not considered personal leave.
3. **Military Leave** - The Board shall grant military leave as required by law. Members of the National Guard or any reserve component of the U.S. Armed Forces who are engaged in

the performance of duty or training will be entitled to a leave of absence of 120 hours in any federal fiscal year (October 1 B September 30) without impairment of efficiency rating or loss of time, pay, regular leave or any other rights or benefits. Employees shall provide the district an official order verifying that they are required to report to duty.

4. **Election Leave** - Any employee who is appointed as an election judge pursuant to state law may be absent on any election day for the period of time required by the election authority. The employee must notify the district at least seven days prior to any election in which the employee will serve as an election judge. No employee will be terminated, disciplined, threatened or otherwise subjected to adverse action based on the employee's service as an election judge.
5. **Leave to Vote** - Employees who do not have three successive hours free from work while the polls are open will be granted a leave period of up to three hours to permit employees three successive hours while the polls are open for the purpose of voting. Requests for such leave must be made prior to election day, and the employee's supervisors will designate when during the workday the leave should be taken. Any employee who properly requests leave to vote and uses the leave for that purpose will not be subject to discipline, termination or loss of wages or salary.
6. **Jury Duty Leave** - An employee will be granted paid leave for time spent responding to a summons for jury duty, time spent participating in the jury selection process or time spent actually serving on a jury. An employee will not be terminated, disciplined, threatened or otherwise subjected to adverse action because of the employee's receipt of or response to a jury summons. Employees will receive their normal pay. Any jury or witness fees must be turned in to the school district administrative office.
7. **Leave for Court Subpoena** - If the subpoena is directly related to the employee's school duties, the employee will be released for court appearance without loss of leave. Other court appearances will be deducted from personal leave.
8. **Firefighter Leave** - Employees will be allowed to use personal, vacation and/or unpaid leave for any time taken to respond to an emergency in the course of performing duties as a volunteer firefighter. For the purposes of this section, "volunteer firefighter" includes members of Missouri-1 Disaster Medical Assistance Team, Missouri Task Force One, Urban Search and Rescue Team or those activated by the Federal Emergency Management Agency (FEMA) in times of national disaster. Employees covered under this section shall

not be terminated from employment for joining a volunteer fire department or for being absent from or late to work in order to respond to an emergency. Employees shall make every reasonable effort to notify the principal or supervisor if the employee may be absent from or late to work under this section. Employees are required to provide their supervisors with a written statement from the supervisor or acting supervisor of the volunteer fire department stating that the employee responded to an emergency along with the time and date of the emergency.

9. **Crime Victim Leave** - Any employee who is a crime victim, who witnesses a crime or who has an immediate family member who is a crime victim will not be required to use vacation, personal or sick leave in order to honor a subpoena to testify in a criminal proceeding, attend a criminal proceeding or participate in the preparation of the criminal proceeding.
10. **Civil Air Patrol Leave** - Any employee who is a member of Civil Air Patrol and has qualified for a Civil Air Patrol emergency service specialty or who is certified to fly counternarcotics missions shall be granted unpaid leave to perform Civil Air Patrol emergency service duty or counternarcotics missions without loss of time, regular leave or any other rights or benefits in accordance with law. The leave is limited to 15 working days in any calendar year, but is unlimited when responding to a state- or nationally declared emergency in Missouri. The district may request that the employee be exempted from responding to a specific mission.
11. **Coast Guard Auxiliary Leave** - Employees who are members of the United States Coast Guard Auxiliary will be granted an unpaid leave of absence for periods during which they are engaged in the performance of United States Coast Guard or United States Coast Guard Auxiliary duties, including travel related to such duties, when authorized by the director of auxiliary or other appropriate United States Coast Guard Authority. Such leaves of absence will be given without loss of time, regular leave or any other rights or benefits to which such employees would otherwise be entitled. The leave is limited to 15 working days in any calendar year, but is unlimited when responding to a state- or nationally declared emergency in Missouri or upon any navigable waterway within or adjacent to the state of Missouri. The district may request that an employee be exempted from responding to a specific mission.

Pregnancy, Childbirth and Adoption Leave

This section creates no rights extending beyond the contracted period of employment. FMLA certification and recertification procedures apply to FMLA-eligible employees. An employee must notify the district of the need for and anticipated duration of the leave at least 30 days before leave is to begin, if foreseeable. If 30 days' notice is not practical, the employee must give as much notice as possible. A pregnant employee shall continue in the performance of her duties as long as she is able to do so and as long as her ability to perform her duties is not impaired, based on medical opinion.

Employees eligible for FMLA leave for the birth, first-year care, adoption or foster care of a child will have such leave applied in accordance with the FMLA. The district shall only apply up to six weeks of accrued paid leave to such absences.

Employees who are ineligible for FMLA leave may take up to six weeks of leave for the birth, first-year care, adoption or foster care of a child and may use any combination of accrued sick leave, personal leave, vacation or unpaid leave.

Pregnant employees who need more than six weeks of paid or unpaid leave for a pregnancy-related incapacity must provide certification of the medical necessity for such leave.
