

PARENT AND FAMILY INVOLVEMENT AND ENGAGEMENT
(School Title I Parent and Family Involvement and Engagement Plan)

This plan was created jointly with parents and family members of students attending the Boonville R-I School District, a district Title I school, and will be reviewed annually and updated as needed.

1. The school is required to hold one or more meetings for all parents to inform them of the law and explain how they can be involved and engaged in their child's learning.

A. Time, date and location of the meeting(s), including the number of parents and family members attending each: _____

B. Process used to inform parents of the meeting and to encourage them to attend: ____

C. Resources the school will use to encourage parent participation [*providing transportation, offering childcare during the meetings, conducting home visits or other ideas*]: _____

2. The school is required to involve parents in an organized, ongoing and timely way in the planning, review and improvement of Title I programs. This school plans to involve parents in the following ways: _____

3. The school has received the following positive and negative comments from parents and students regarding the district's Title I program: _____

4. The school is required to provide parents information about Title I programs, a description and explanation of the school's curriculum, the forms of assessments the school uses to

measure student progress, and information about the Missouri Learning Standards. The school will provide this information in the following ways: _____

5. The school is required to provide opportunities for parents to participate in decisions regarding the education of their students, offer suggestions regarding the education of their students and respond to suggestions received. The school will provide these opportunities in the following ways: _____

School-Parent Compact

The following compact outlines how parents, the school staff and students will share the responsibility for improving academic achievement and the means by which the school and parents will build and develop a partnership.

1. The school has the responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the students served to meet the Missouri Learning Standards.

2. Parents will be responsible for supporting their students' learning in the following ways *[examples might include monitoring attendance, homework completion and entertainment; volunteering in their student's classroom; participating in decisions relating to the education of the student, positive use of extracurricular time, etc.]*: _____

3. Communication between teachers and parents on an ongoing basis is important. The school and parents will utilize the following methods to ensure regular, two-way, meaningful communication among family members and school staff: *[List communication methods. Please note that elementary schools must provide parent-teacher conferences at least annually, and the compact must be discussed in those conferences. To the extent practicable, the communication will be in a language the parent or family members can understand. Examples of communication methods might include reports to parents on their*

student's progress, how parents can access staff, opportunities to volunteer in the classroom, observation of classroom activities, etc.] _____
