

STUDENT-INITIATED GROUP USE OF DISTRICT FACILITIES
(K-12 Districts)

Student-initiated groups at the secondary level seeking to utilize school facilities during non-instructional time must:

- Submit to the principal an application to use district's facilities, and receive written permission prior to the event. The principal may authorize more than one (1) meeting per request.
- Secure a school employee to monitor facility use and student conduct. This employee must be present at all meetings and activities of the organization on school property.
- Operate within the law, Board policy, and administrative procedures. School officials may intercede to discipline students who do not follow these guidelines.
