

A+ SCHOOLS PROGRAM

The Boonville R-I School District encourages its students to further their education and training after they graduate from the district. For that reason, the district will participate in the state A+ Scholarship Program to provide students an opportunity to attend postsecondary education at a low cost. The district will follow the requirements as established by state law and regulation for the implementation and administration of its A+ Schools Program. The district shall employ an A+ Schools Program coordinator, as required by law.

Program Goals

The Boonville R-I School District has established the following goals and performance standards:

1. All students graduate from high school.
< 91% graduation rate (State of Missouri Average 85.5%)
2. All students complete a selection of high school studies that is challenging and for which there are identified learning expectations.
< All competencies are tracked for every class.
3. All students proceed from high school graduation to a college, postsecondary career-technical school or high-wage job with workplace skill development opportunities.
< 96.7% proceed to a college, postsecondary career-technical school or high-wage job.

Citizenship Component

An important component of the A+ Schools Program is the fostering of good citizenship in our district's students. A student demonstrates good citizenship by showing respect for self, law, property and the rights of others. Students have not demonstrated good citizenship if, while in grades nine through twelve, they have:

1. Pled guilty or *nolo contendere* (no contest) to, received a suspended imposition of sentence or suspended execution of sentence for, agreed to a deferred prosecution for, or been convicted or found guilty of a misdemeanor or felony.
2. Unlawfully used or possessed drugs, drug paraphernalia or alcohol on or off school property.
3. Had an out-of-school suspension.

4. Violated the district's rules governing academic dishonesty (plagiarism, cheating, etc.).

Participation Agreement, Discipline and Appeal

All students wishing to participate in the A+ Schools Program must submit a completed A+ Participation Agreement. If the coordinator determines that a student who has submitted a participation agreement has violated the terms of that agreement or district policies or procedures regarding A+ participation, the coordinator will notify the student in writing and may put the student on probation or expel the student from the program. The student or the student's parents/guardians may appeal expulsions from this program, in accordance with written district procedures, to the Board of Education or to a committee of Board members appointed by the president of the Board and given the authority to act for the Board. The Board or the Board's committee will hear the student's appeal in closed session and will notify the student of its decision.
