FROM PRINCIPAL FRERKING Merry Christmas and Happy Holidays! I love saying this to people because I can usually get a smile out of the person. Most of the time when I hear someone say this it makes me think of family, friends, giving, and being thankful. We have a lot to be thankful for at David Barton: good teachers, good students, supportive parents and community. As we near the end of the first semester, we need to continue to support each other in this adventure to educate all of our students in the Boonville School District. We want all students to have an opportunity to be successful and prepare them for the next steps in their future. It truly takes a community to raise our kids and this is a great place to be. I ask if you have any questions or concerns you can contact us at school. and we are always willing to visit. Happy Holidays!

FROM NURSE VICKI The Center for Disease Control recommends that everyone 6 months and older get a flu shot. See your health care provider or the county health department for more information. Always follow good health guidelines, eat right, exercise, get plenty of rest to help boost your immunity to help fight off colds and flus. Practice good handwashing, use your cough pocket when sneezing or coughing, and disinfect needed areas. Top places to hit are telephones/electronics, appliances, faucets, light switches and door handles and TV remotes. Follow the school handbook in determining if your child should stay home from school sick. If you have questions, call your school health office.

Have a safe and fun-filled
WINTER BREAK!
NO SCHOOL 12/20 – 1/2

INCLEMENT WEATHER

Inclement weather could cause a change in your child's bus routes. The snow routes are on Boonville R-I school district webpage at www.boonville.k12.mo.us (top menu, under "Families").

If there should be a cancellation, early dismissal, or late start of school due to the weather, it will be broadcast on KWRT 1370 AM, NBC-Channel 8, and ABC-Channel 17. We will also use the Eventlink messaging system and our Facebook Page.

David Barton would like to thank the Boonville Lions Club for providing dictionaries to our 3rd Graders!

David Barton would also like to thank Nelson Memorial United Methodist Church for their donation of 11 coats for David Barton students!

Thank you to the Cooper County Masonic Lodge for the Books for Bikes program. The bike drawing will be during morning assembly on 12/14!
