MERRY CHRISTMAS AND HAPPY NEW YEAR FROM THE PRINCIPAL'S DESK!!!

I want to wish all of our Boonville School District families a New Year FULL of HOPE and PROMISE!

I hope everyone had a great time relaxing over the Winter Break and everyone is ready to be back. I also hope everyone had time to reflect over the first semester to see if there was anything you could have done differently to help improve for the 2nd semester. Here at David Barton we are ready to make 2019 a year filled with success through hard work and dedication. We will work hard to provide your students with daily opportunities to grow. The hard work is the responsibility of all of us: teachers, staff, students, parents, and administrators. If we all work together, we can make this a very exciting learning experience.

-Mr. Brett Frerking, Principal

REPORT CARDS

In the attempt to be more paperless, David Barton Elementary emails all Report Cards. Please be sure the office has an updated email address for you.

Quarter 2 grades will be emailed on Monday, January 7th.

Self-esteem groups will soon be starting for grades 3-5. These groups will meet during the school day for approximately 30 minutes one time a week. The groups will meet for 4 weeks. Every week the lesson will focus on a specific topic related to feeling good about yourself. If you feel like your child might benefit from this group, please call Debbie Maxwell at David Barton (882-6527) for grades 3-5.

From Nurse Vicki:

Head lice has been found here at David Barton. The first thing is to NOT panic! Anyone can get head lice, mainly through direct head-to-head contact but also from sharing hats, brushes, and other personal items. Please do your part to prevent the spread of this by checking your child(ren) daily for the next few weeks and on a regular basis thereafter. Lice infestation is much easier to treat if caught early. If you should discover a case of head lice, please notify the school nurse and parents of your child's playmates. This is the best way to protect your family and community. Please refer questions to the school nurse, or you can get more information on treating at www.cdc.gov

COLD WEATHER

It is that time of year that the weather is forever changing. Please make sure your child is dressed appropriately when they come to school. **Recess is outside until the temperature or wind chill reaches 20 or below.**

If your child is need of a coat, hat, or gloves, please contact the school office at 660-882-6527.

Also, please remember the school doors open at 7:35 am for breakfast eaters and 7:40 for all other students!

January 2019
