From the Principal's Desk:

Welcome to the beginning of the 18/19 school year. I hope you and your child have had a great summer and are now getting into a routine for the school days. The DBE staff have worked hard to have another successful school year of fun and learning. DBE would like to ask all parents, guardians, and families to be active in your child's school. You are your child's first and most important teacher. Your interest and involvement in your child's education can make a big difference. Attending school events and being positive about the school and teachers with your child will set all of us up to have a successful working relationship. Our new Motto at David Barton is "The Pirate Way". We want everyone to "Be Safe, Be Respectful, and Be Responsible".
It is a GREAT DAY TO BE A PIRATE!

-Mr. Brett Frerking

From Assistant Principal Jesse Oswald: Wow! Summer has flown by. That means we finally get to have all of our Pirate kiddos and staff back in the building.

I truly believe the success of our school and your student depends on the relationship we build together. If you ever have a need, concern, or want to brag on a staff member (those are my favorite conversations), please don't hesitate to reach out to me.

I'm looking forward to another great school year. Let's make it a great year!

Friendship Groups Now Forming: We will soon be starting friendship groups at each grade level. Friendship groups allow students the opportunity to learn new ways to make and keep friends as well as establishing new friendships. If your child is new to the district this year or feels like he/she doesn't have any friends, this group may be helpful. The groups will be formed by grade level and will meet for 4 weeks. The groups meet one day a week during the school day. If you feel like your child might benefit from this group, please call Mrs. Debbie Maxwell at David Barton (882-6527).
